PLEDGE OF ALLEGIANCE

ANNOUNCEMENTS

Happy Saint Patrick's Day, Chemics! The Junior Varsity Leadership class invites you to come to Eyeball to do the Irish jig during both lunches today. How do you Irish jig? Look for the posters with QR codes around the school to watch some instructional videos. Gift certificate prizes will be offered each lunch hour to the best Irish jig dancer. Other prizes will be offered as well.

In celebration of the Class of 2022 being the 150th graduating class of Midland High School, 150 "gold" coins will be located around the school, outside of classrooms, that student can find and turn in to room 337 during 4th hour for prizes including gift certificates and treats.

Good luck but beware, the leprechauns have been up to some shenanigans so you never know what you'll win...or if you will win. Keep your eye out for some pots of gold that are hanging around also. Those will get you some extra special prizes. If you find one of the four pots, bring it to room 337 for your prize. Fire up, Chemics, it's going to be a great day to be a Chemic!

Hey Chemics! Since spring break is just around the corner, we are going to have a spirit week this upcoming week. **Monday** will be Denim vs. Tie-Dye with a drum-off during both lunches.

Tuesday will be Vacation Day so wear what you plan be doing or where you will be going during spring break. Are you hanging out in Michigan, skiing in the mountains, or hitting the beach? Wear your all-time favorite vacation clothing. The lunchtime activity will be limbo, so let's see how low you can go!

Wednesday is Movie Day. Wear something from your favorite movie or dress up as your favorite movie character. The lunchtime activity will be Rotten Tomatoes where you guess the rating of a movie and literally throw a tomato at a volunteer that will serve as the target for your tomato throwing.

Thursday's spirit day is E-R Day. Wear something or dress up as something that ends in er. And hey, doctor is NOT an "e-r" word, but fire fighter is and so is golfer, or gamer, or Muller, or farmer. You get the idea. **Friday** will be Blue and Gold Day, students wear blue, and staff wears gold.

Junior and Seniors, the Delta information session in the Media Center today has been cancelled. It will be rescheduled soon. Announcements will be made when a new date for the Delta information is set.

Chemics, you have a little over an hour left until brackets close. Check your emails as you will have the link to join and remember, the top three people with the closest to a perfect bracket win some good prizes.

Attention students looking for volunteer hours: The Midland Center for the Arts is looking for youth volunteers to assist their education staff with their annual summer camps which run in one-week segments throughout the summer. If interested, please visit midlandcenter.org or talk to Ms. Mosher in room 342.

Are you looking for a good book to read over Spring Break? Come to the Diversity, Equity, and Inclusion Book Club meeting this Thursday to select our first read of the year! We are deciding between the following books:

- *The Sun is Also a Star* by Nicola Yoon
- *Clap When You Land* by Elizabeth Acevedo
- *Aristotle and Dante Discover the Secrets of the Universe* by Benjamin Alire Sáenz

We will be meeting both IN PERSON and VIRTUALLY! Meet in Ms. Murphy's room, 361, at 3:30pm. Or join the Google Meet which is linked on our Google Classroom. Follow us on Instagram @mhsdeiobookclub!
