## \*Project 111\*

Parents! Happy New Year from Project 111!

The Project 111 January Focus is on City Driving. There are many important factors to keep in mind when driving in a more congested area or city. Our main focus will be seatbelts and tailgating.

Project 111 spends a lot of time analyzing accident statistics regarding the young drivers in Midland County. **THE NUMBER ONE TYPE OF COLLISION OUR TEENS ARE INVOLVED IN ARE REAR-END ACCIDENTS!**

This tells us some really important information! Our teens are following too closely and/or are distracted. The truth is, even if a teen is distracted while changing the radio or chatting with a buddy - IF they have enough distance between them and the car ahead of them and the car in front stops suddenly - they will have time to stop!

Parents! PLEASE talk to your teen driver about the importance of leaving adequate distance between them and the car in front of them AND about keeping their 'Heads up! Eyes up!' Simple reminders from parents can make a very big difference in how our teens drive! Please take the time to talk to your young driver about the dangers of tailgating.

Let's reverse these statistics . . . and most of all . . .let's keep YOUR student from becoming a statistic!

Drive Safe! Project 111 Cares!

## \*Yearbook Prices will increase on February 1<sup>st</sup>\*

Chemic Yearbook prices increase Feb 1 - order online at [www.yearbookforever.com](http://www.yearbookforever.com) today!

We now have the opportunity for you to **become a 2022 Yearbook Angel and donate a book to a senior who otherwise can't afford one.** Go to [www.yearbookforever.com](http://www.yearbookforever.com), search for Midland

High School in Michigan & follow the steps to purchase. Enter “Senior” for student first name and “Angel” for student last name.

Send any yearbook questions to [kingbj@midlandps.org](mailto:kingbj@midlandps.org)
