PLEDGE OF ALLEGIANCE

I pledge allegiance to the Flag of the United States of America, and to the Republic for which it stands, one Nation under God, indivisible, with liberty and justice for all.

CHEMIC SALUTES:

Volleyball Volunteers - A big thanks to Mali Prany, Kaydence Ripley, Claire Cline, Brooke Russell, Emmalea TerBurgh & Ava Keit. They all volunteered for six hours at the 7th grade Volleyball tournament held here at Midland High this past Saturday.

Mrs. Machette - Thanks for bringing an uplifting, positive presence to MHS each day! She is regularly seen in the hallways actively encouraging students and staff as they pass by. Even those whom she doesn't know are given a little boost each day as they head to first hour!

Chemics, we've been showing you our dance moves, now it's time to show us yours! Friday, October 8th during both lunches, we will be hosting a ballroom and a freestyle dance competition. There will be 6 prizes handed out, so put those dancing shoes on and get ready to boogie!

Hey Chemics: Project 111 would like to remind you that DISTRACTED DRIVING IS DANGEROUS! Distracted driving is anything that takes your eyes off the road, your hands off the wheel, or your mind off driving. Texting while driving is especially dangerous because it combines all three types of distraction. Sending or reading a text message takes your eyes off the road for about 5 seconds, long enough to cover our entire MHS football field while driving at 55 mph. The newest research from January of 2018 indicates that 11 teens die every day from texting while driving! Please don't let this be you. #putitawayorbeputinthegrave Please don't text and drive! Project 111 cares!
