ANNOUNCEMENTS

Prom tickets will begin being sold on Monday, April 17th. They will cost \$40 and are sold during both lunches at a table in eyeball. Prom will take place on May 6th from 7-10pm at the Great Hall. Contact Heather Herron or Keara Banks for more information.

Chemics, this upcoming week is Earth Week! The Green Club will be hosting fun events all week as a way of helping you learn how to help the Earth. We will be hosting a clothing drive all week long. We hope you will put any old and unwanted clothing items in the large cardboard box placed in Eyeball Alley. On Monday, we hope to show you ways you can make a difference. Be sure to get a seed packet or sticker when you enter the building. On Wednesday, a nearby park clean-up will take place. Meet in Eyeball Alley after school to participate - this will count for volunteer hours. For more information go to our Instagram @themhsgreenclub.

Seniors, if you did not pick up your graduation announcements, please stop by the Counseling Center to pick them up from Mrs. Kirkman.

Spring is here and that means that MHS Drama takes the stage again with our spring musical, The Hunchback of Notre Dame. Blending Victor Hugo's gothic tale with the music from Disney's animated version, The Hunchback of Notre Dame brings to life the story of Quasimodo. An orphan with deformities left to ring the bells in the great cathedral, Quasimodo longs to be part of the outside world. His journey will bring him love and loss, proving that he is more than what meets the eye. Although he's spent his life being told he is a monster, both Quasimodo and audiences alike will be faced with the question: "What makes a monster, and what makes a man?" Performances are Thursday, Friday, and Saturday at 7pm at Central Auditorium, April 20th, 21st, and 22nd. Tickets are \$8 for students and seniors and \$12 for adults and can be purchased by visiting centralauditorium.ludus.com.
