PLEDGE OF ALLEGIANCE

WOMEN'S HISTORY MONTH: March 1st was the start of Women's History month. Our focus is to celebrate and honor the influential women in education and in the world. Malala Yousafzai (**yoo-zahf-SAI**) was born in Pakistan in 1997. In 2012 she spoke out publicly on behalf of women and girls' right to education. This unfortunately made her a target for the Taliban. In October 2012, on her way home from school, she was shot. Malala survived and continues to share her story with the world. Malala said "I share my story not because it's unique but because it is the story of many girls." In 2014, she received the Nobel Peace Prize, making her the youngest Nobel laureate. In 2020 Malala graduated from Oxford University and strives to create a world where all women and girls can learn and lead.

The Chemic Hockey team won another nail biter 1-0 on Saturday night to advance the MHSAA Division One state semifinals. Midland's Cole Carpenter found the back of the net during a scramble in front of the Cap City goaltender late in the third period for the game's only score. Midland will face #1 ranked Detroit Catholic Central on Friday at 5:00pm at the USA Hockey Arena in Plymouth. This is the Chemics' first trip to the semifinals since 2011. Tickets are \$11 and are only available using the [MHSAA GoFan online platform](#).

This past weekend, 5 Chemic wrestlers went to Ford Field to compete in the state finals. Coming home with medals and "All State Honors" were Morgan Ludwig who placed 5th in the Girls Division, Arden Eschtruth who placed 4th in the Girls Division, & Cole Schelb who placed 7th in Division 1.. Also competing and winning a match but falling short of "all state" were John Hine and Niobe Marchalant. Great job to all these Chemic wrestlers for representing Midland High on the highest stage.
