

MIDLAND HIGH SCHOOL DAILY ANNOUNCEMENTS
WEDNESDAY, SEPTEMBER 8TH 2021

PLEDGE OF ALLEGIANCE

I pledge allegiance to the Flag of the United States of America, and to the Republic for which it stands, one Nation under God, indivisible, with liberty and justice for all.

ANNOUNCEMENTS:

Seniors: There will be a homecoming banner planning meeting in room 337 at 2:30 today. We need YOU to help design and create the Class of 2022 banner. All are invited and encouraged to attend. The senior class theme is the video game Mario.

Juniors and Seniors: Please complete the Google form interest survey that was emailed out yesterday by Ms. Albright. The survey is about a senior versus junior volleyball game or flag football game during homecoming week. Girls are invited to play flag football and boys are invited to play volleyball. This event will take place on Tuesday, October 5th.

3rd hour teachers: At the conclusion of announcements, please show the 1 minute and 24 second video about the homecoming election process that will begin this Friday during 3rd hour.

Calling ALL FRESHMAN! We will have a meeting to discuss upcoming Homecoming events and activities TOMORROW (Thursday) during BOTH lunches in room 232.

Chemics: The Class of 2022 is the 150th graduating class from MHS! Every school day 4 different Chemic Seniors will be featured alphabetically on the TV in Eyeball Alley! Take a look and let's celebrate this historic legacy!

CHEMIC SALUTES:

Nate Surbrook - For bringing his hot dog stand to the Chemic Tailgate on Friday and giving away free hot dogs, chips, and pop/water.

Tornado "this is not a drill" participants - Shout out to the staff and students who responded efficiently and without much drama when we sheltered in the basement during the tornado warning after school yesterday! Nice job of staying calm and keeping safe!

Kendall Wenzel - This past Friday, Kendall went out of her way to welcome a new Chemic who was waiting in the parking lot waiting for the start of the tailgate. She not only said hello but also walked with them to the party . . . what a way to make a new student feel welcomed to the Chemic family!
