Did you notice the pinwheels in the garden in front of the school and near the entrance to Midland High School? Why are they there? What are they for? The month of April is National Child Abuse Awareness Month. In 2008, Prevent Child Abuse America introduced the blue pinwheel as the national symbol for child abuse prevention. The pinwheel represents the symbol of the hope, healing, and happiness deserving of every child. It also represents the great childhood that every child deserves, and the role we each play in providing a loving and supportive environment for the children in our lives. As always, Chemics, if you are in need or know of someone in need, please reach out to an adult in the building and we will help to get you or those you care about the help that they need.

Chemics! Time is running out to order your 2023 yearbook - order yours today at www.yearbookforever.com. Don't know if you already ordered a yearbook? Check the big yellow banner outside room 325 near the elevator on the third floor. This is the only written record of the school year & you' don't want to miss it! See Ms. King with any questions.

POSITIVE THINKING

Do Something Special: Have you ever secretly decorated a friend's locker or left a kind note and then watched from down the hall as they discovered the surprise? When you do kind things for other people, everyone feels happier as a result. Spread some JOY, do something special for someone else.
