

MIDLAND HIGH SCHOOL DAILY ANNOUNCEMENTS
WEDNESDAY MARCH 23, 2022

PLEDGE OF ALLEGIANCE

CHEMIC SALUTES

Chemic Yearbook Crew - Each year before spring break, the Chemic yearbook staff has a big deadline - they need to submit over 100 pages to the publisher. That means lots of editing, rewriting, fixing design issues, proofreading, checking name spellings, etc. This year, your incredible yearbook staff has crushed this deadline with 130 pages - and a few days early, too! So thank you 2022 yearbook staff for being a consummate team of hard-working Chemics who document the year for all of us.

Aiden Porritt & Lane Kloha - Thanks for staying after class to help a fellow Chemic clean up a coffee spill!

Mya Hacker & Mrs. Hillman - Mya, along with help from Mrs. Hillman, won a grant for over \$2,000 from the "We Are Innovators" contest. That money has been very helpful to the Green Club and will be used in the future to help all of us at MHS recycle more.

Garrett Coyer - Garret finished in first place at a recent Delta College welding competition. That's reason enough for a salute . . . but, wait, there's more! As part of his award for winning, Garret received an auto-darkening welding helmet, face shield, welding jacket, cup, MIG pliers, hoodie, and a voucher worth \$170.00 to cover all books for the first year in the welding program should he choose to attend Delta College. Well, Garrett already owns an auto-darkening welding helmet so he gave the helmet he just won back to the instructor, to have a random drawing for all participating students who may not have one. The young man who won the drawing was extremely excited and appreciative. Thanks, Garrett, for demonstrating class and generosity - two attitudes that are worthy of a Chemic Salute!

ANNOUNCEMENTS

Students: We still have more than 60 overdue library books! Please check under your beds, in your cars, lockers and classrooms to locate these missing books and either renew or return them to the Media Center ASAP! If the books are not returned or renewed, you may receive a fine and a hold will be placed on your report card.

JV Pom Evaluations will be Saturday April 9th from 9am-11am in the Aux Gym. Anyone who is interested in being a part of the MHS JV Pom team come pick up evaluation packets in the Athletic Office or stop by Ms. Stearns in room in 330.

Seniors attending Delta this fall, there will be very important information sessions in the Media Center conference room on Thursday April 7th! Mrs. Barnes the college advisor and Sarah Delta's college rep will be there from 3rd hour through 5th hours, including lunch periods to help you out! We are there to help you complete your next steps to prepare to attend Delta in the Fall! Come join us. We have snacks!

ACTIVITIES

Good luck to our Boys and Girls Track and Field teams as they traveled to SVSU for the SVSU D1 Indoor Invitational meet today. Stay dry and good luck Chemics!
