Positive Thinking ANNOUNCEMENTS:

What is Gratitude? Gratitude allows us to recognize good in our lives, and when we have a challenge, the positive focus can help to get us through. Focusing on and appreciating the good in our lives constantly reminds us about great things around us.

Gratitude allows us to see that the sources of that good are usually close by. Practicing gratitude allows us to recognize those who bring goodness into our lives and humbles us in order to give credit to those we are grateful for.
