PLEDGE OF ALLEGIANCE

ANNOUNCEMENTS

The Midland High School Student Council would like to thank those of you that attended the Walk a Mile in Her Shoes event yesterday down near the Tridge. The weather was not in our favor but your participation and recognition of the important topic of gender-based violence was greatly appreciated.

The Anita Giampalmi Scholarship is open to any MHS Senior who is either in Cheerleading or Pom OR who exudes school spirit, has Chemic pride, and plans on attending MSU in the fall of 2023. This one-time, \$6,000 scholarship will be given to ONE lucky person! This application can be found in the counseling center.

Go to our MHS Website to check out this scholarship along with many others ... be sure to check back on a regular basis as scholarships are continuously opening and closing.

Did you notice the pinwheels in the garden in front of the school and near the entrance to Midland High School? Why are they there? What are they for? The month of April is National Child Abuse Awareness Month. In 2008, Prevent Child Abuse America introduced the blue pinwheel as the national symbol for child abuse prevention. The pinwheel represents the symbol of the hope, healing, and happiness deserving of every child. It also represents the great childhood that every child deserves, and the role we each play in providing a loving and supportive environment for the children in our lives. As always, Chemics, if you are in need or know of someone in need, please reach out to an adult in the building and we will help to get you or those you care about the help that they need.

Seniors... Charles S. Trzcinski/Chemic Pride Scholarship nomination forms are available in the Main Office. They need to be returned to Ms. Kirkman in the Counseling Office by this **Wednesday April 26th**.

POSITIVE THINKING

Be Different: Sometimes we fear the word “different” or “just be yourself” because it might mean not fitting in. To fit in, we often feel like we must act or look in a certain way. If you try to squeeze yourself into a certain box, just to fit the mold of what’s accepted, you might lose your true self in the process. It takes vulnerability and courage to be ourselves in a world full of judgment. Your self-worth is determined by you. You hold that power, don’t freely give it to someone else. Don’t depend on others to tell you who you should be. **Be Proud of who you are** and *not ashamed of how someone else sees you*.
