

MIDLAND HIGH SCHOOL DAILY ANNOUNCEMENTS
THURSDAY, SEPTEMBER 30TH, 2021

PLEDGE OF ALLEGIANCE

I pledge allegiance to the Flag of the United States of America, and to the Republic for which it stands, one Nation under God, indivisible, with liberty and justice for all.

ANNOUNCEMENTS:

Juniors we will continue our banner creation next week Mon and Wednesday at lunch and Tuesday and Thursday after school in room 118 as needed until we are done.

Sophomores: We have an urgent situation! We desperately need students to walk in the parade with our class banner. Even if you haven't worked on the banner or thought about it at all, this is a chance to do something fun before the homecoming game on Friday, October 8. As of now, we have zero, yes zero people to carry the banner! Don't let your class down. Bring your friends- the more people the better. Also, banner decorating will be today during both lunches in room 348.

Chemics- what is warm, salty, and only found on Fridays? That's right- popcorn! Bring one dollar tomorrow to buy your popcorn! Profits will go to Scene Partners- a group that brings students with and without disabilities together outside of school.

Hey Chemics! Listen up! Imagine this. A store...in the school. It doesn't get better than that. You want Snacks? Corner's got you covered! You want Chemic Apparel? Corner's got you covered! Come to chemic corner at room 228 for all your chemic needs on our grand reopening, coming soon.

Students - if you did not have your school photo taken during Schedule Pickup this Summer and would like a new school ID at no cost to you, be sure to have your photo taken on our picture re-take day of October 8th. If you don't have your school photo taken so Lifetouch can provide the one-time, free, school ID card, you will have to pay \$10 to get a new one.

Attention Juniors and Seniors. We invite you to face off in volleyball next Tuesday October 5th from 5:30 - 6:30. Sign up at lunch to play for \$2. Everyone is invited to come and cheer on your Chemic upperclassmen for \$1 at the door.
