Chemics! Do you remember our old school elementary carnivals? Do you remember those silly games? We are bringing them back next week, **Wednesday May 17th at 3pm** in the Auxiliary Gym. The carnival will feature many of the games that you played as a young kid such as ring toss, Plinko, a cupcake walk, musical chairs, a water balloon toss, a food-eating competition, and more! Students will be able to purchase tickets to participate and the proceeds benefit our very own Skylar Hintz. Stay tuned for more information!

Attention Chemics! The MHS chess club and student leadership will be hosting a chess tournament on **Thursday, May 18th**, in the Media Center from **5-7pm**. All grade levels and abilities of chess players are welcome to compete! Seniors, this is a great opportunity to go to your last MHS event. Contact Ben Bucci, Andrew Steger, or Cody Ridder for more details. Be there or be circle.

Curious about all of the colorful signs in Eyeball Alley? Each sign indicates the pathways our MHS seniors have decided to take next year. See names like Andrew Steger attending Purdue University and Laura Brookens attending Spring Arbor University. Along with many others! We want to celebrate our seniors, their high school journeys, and their future plans.

Chemics, you determine your legacy. What will it be? The senior class has provided several responses about what their legacy is at Midland High. This display will be presented in Eyeball Alley and around the school.

POSITIVE THINKING

Just BE: BE humble enough to realize you still have a lot to learn. BE ambitious enough to know you can be anything you want to be. BE easy enough on yourself to enjoy, to laugh, to have fun. BE mature enough to take responsibility for what you do. BE proud enough to take care of your body, your mind, and your spirit. BE confident enough to see that who you are inside is more important than how you look outside. BE wise enough to choose your friends carefully. BE curious. BE honest. BE strong. BE brave. BE kind.
