PLEDGE OF ALLEGIANCE

CHEMIC SALUTES

Laura Brookens - For organizing the "See You At The Pole" event this morning where students were able to come together to pray for our school and to lift each other up. Laura went out of her way to organize and to even provide donuts to all those who attended.

Carson Leonard - For the positivity and care he exudes to everyone in the halls. Carson seems to know everyone by name, and he genuinely inquires about their days. Some even say he is like the Mayor of Midland High!

Dustin Tozier - For coming to the rescue of Mrs. Stearns when she had her hands full and needed some help with unlocking her classroom door.

Emma Buschlen & Cole Carpenter - For their work on the Prom/Homecoming Closet. They have been organizing it and giving up their lunches on Tuesdays & Thursdays, so MHS students have a chance to check it out. They're even hosting a few open houses on evenings and weekends to give more students more opportunities to get Homecoming apparel! Also, a shout-out to Ms. Rueggsegger for being the staff advisor!
