

**MIDLAND HIGH SCHOOL DAILY ANNOUNCEMENTS**  
**WEDNESDAY JANUARY 11, 2023**

**PLEDGE OF ALLEGIANCE**

**CHEMIC SALUTES**

Computer Tech 2 Students - Thanks to these students, we now have some inspirational posters on the first floor - thanks for giving us all some positive vibes over these past few dreary winter days!

Mrs. Stearns - While you may know her as the "yay, pom" teacher, our own Mrs. Stearns has also been a big supporter of our military. In honor of this, she was recently recognized by the U.S. Army with a Certificate of Appreciation for all of her support. Congratulations!

BPA Regional Competitors - Shout out to our always impressive MHS BPA team for another outstanding regional competition. On December 20th they qualified 35 members for the state round of competition later this spring. Way to go BPA!

1st Hour Honors Government Class - A huge thank-you goes out to Mr. Starling's 1st hour class for contributing over 1000 hours of volunteering and community service over the course of the first semester. They helped with youth sports, at the Humane Society, leaf raking, and many other activities. Way to go, Chemics!

**ANNOUNCEMENTS**

Chemics, are you good at Euchre? Student Council will be hosting a Euchre Tournament **TOMORROW, January 12th**, at 6pm in the Media Center. It's a drop in tournament, so bring a friend and show off those Euchre skills. Come for the game and stay for the fun. Hope to see you there!

Attention Students, there will be no more schedule changes for the second semester.

The Shelterhouse of Midland will be hosting a meeting for their Intersections, a support group for LGBTQIA+ survivors of domestic violence and sexual assault. The meeting will be held at the Shelterhouse on both Wednesday, January 11 and January 18, at 4:30 p.m. If you are interested in attending, please contact Amy McDonald at [mcdonald@shelterhousemidland.org](mailto:mcdonald@shelterhousemidland.org).

Attention Skiers and Snowboarders, tomorrow is the day where we will depart for our first ski trip after school. Check your email for specific details. If you are bringing your gear to school, please put your stuff in room 229 across from Chemic Corner before school. Message Mr. Little for any questions.

**Positive Thinking ANNOUNCEMENTS**

**Setbacks Don't Define You:** Everyone experiences setbacks. Part of reaching for your goals is about taking chances. Some of those chances will push you toward your end goal, but some will set you back. What matters is not that you experience setbacks but that you take a moment to reflect and evaluate. Through reflection and evaluation is when we learn and ultimately grow. Setbacks are like bumps, but if you slow down and get to know where they come from, you can learn to navigate around them.

The next time you encounter a setback, close your eyes, and think about what you can learn and take away from the experience. Ask yourself:

What was I trying to achieve?

What got in the way?

**MIDLAND HIGH SCHOOL DAILY ANNOUNCEMENTS**  
**WEDNESDAY JANUARY 11, 2023**

What can I do differently when I try again?

Your setbacks don't define you. How you rise to meet challenges and overcome obstacles shows the world what you're made of.

**IN SPORTS ACTION**

Last night, the Lady Chemics Bowling Team defeated the Lady Saginaw United team by a score of 30-0. The two baker games were 148 and 141. The lady Chemics were led by several players.
