Chemic's Live is bringing you kindness week this week! Throughout the week we will be hosting different activities promoting kindness and nonviolence. Today during both lunches, we will be giving out free ice cream to all individuals who wear purple or orange apparel. Purple and orange are the colors of non-violence and anti-bullying. At Midland High, we all share a responsibility in working together to ensure that all students feel welcome and safe. If you ever notice that there is a situation that needs to be diffused don't be afraid to be an upstander by standing-up and helping those in need of support or protection. We're all in this together, Chemics.

On Friday during both lunches, we will be having a Project 111 Gift Giveaway! Come to Eyeball to take the safe driving pledge, distracted driving trivia, and race your friends in our simulator for various prizes. You can also get the opportunity to practice using the MI police distracted driving simulator! Remember to drive safe Chemics!

The Gender Sexuality Alliance will meet today in room 111 from 3:20-4:20. All are welcome. Bring ideas.
