At Midland High, we all share a responsibility in working together to ensure that all students feel welcome and safe. If you ever notice that there is a situation that needs to be diffused don't be afraid to be an upstander by standing-up and helping those in need of support or protection. We're all in this together, Chemics.

On Friday during both lunches, we will be having a Project 111 Gift Giveaway! Come to Eyeball to take the safe driving pledge, distracted driving trivia, and race your friends in our simulator for various prizes.
