**PLEDGE OF ALLEGIANCE**

I pledge allegiance to the Flag of the United States of America, and to the Republic for which it stands, one Nation under God, indivisible, with liberty and justice for all.

**CHEMIC SALTUES:**

Veterans Day - A big thank-you goes out to the over dozen Chemic students and staff who helped make our annual MHS Veterans Day activities take place. These volunteers even came in on a Sunday night to set up the media center while others stayed after school to help clean up afterward.

Mrs. Albright and Peer-to-Peer students - Thanks for all that you've been doing to promote healthy lifestyles and positive mental & emotional health for both students and staff. A particular shout-out for the recent activities helping all of us to have an "attitude of gratitude" and recognize the strengths that we use daily!
