**PLEDGE OF ALLEGIANCE**

**ANNOUNCEMENTS**

Today is the third day of Earth week. We are celebrating waste free Wednesday. Come to the trash pickup after school. We will meet in Eyeball after school. This will count as volunteer hours!

Students...Today during 5th hour in the theater Central Michigan will be here to share all things about the school!

Chemics! Time is running out to order your 2023 yearbook - order yours today at [www.yearbookforever.com](http://www.yearbookforever.com). Don't know if you already ordered a yearbook? Check the big yellow banner outside room 325 near the elevator on the third floor. This is the only written record of the school year & you' don't want to miss it! See Ms. King with any questions.

As you may have seen around, the outfits around the school are to highlight and raise awareness to the largest global campaign to end violence against women and children, One Billion Rising. 1 in every 3 women will experience violence of any kind in their lives. That is one billion and rising. Please, over the next couple of days, look closely at them, look at the statistics that are with the outfits, learn and be aware.

The Anita Giampalmi Scholarship is open to any MHS Senior who is either in Cheerleading or Pom OR who exudes school spirit, has Chemic pride, and plans on attending MSU in the fall of 2023. This one-time, \$6,000 scholarship will be given to ONE lucky person! This application can be found in the counseling center. Go to our MHS Website to check out this scholarship along with many others ... be sure to check back on a regular basis as scholarships are continuously opening and closing.

Spring is here and that means that MHS Drama takes the stage again with our spring musical, The Hunchback of Notre Dame. Blending Victor Hugo's gothic tale with the music from Disney's animated version, The Hunchback of Notre Dame brings to life the story of Quasimodo. An orphan with deformities left to ring the bells in the great cathedral, Quasimodo longs to be part of the outside world. His journey will bring him love and loss, proving that he is more than what meets the eye. Although he's spent his life being told he is a monster, both Quasimodo and audiences alike will be faced with the question: "What makes a monster, and what makes a man?" Performances are Thursday, Friday, and Saturday at 7pm at Central Auditorium, April 20th, 21st, and 22nd. Tickets are \$8 for students and seniors and \$12 for adults and can be purchased by visiting [centralauditorium.ludus.com](http://centralauditorium.ludus.com).

There will be an NHS meeting for ALL junior and senior members on Tuesday, April 25<sup>th</sup> at 7:15 am in the Media Center.

**POSITIVE THINKING**

**Replace Questions with Statements:** Everyone thinks about how they measure up to others. We ALL do it. Sometimes we can be our biggest critic when we think others have more, do more, or experience greater success. One way to reframe this kind of thinking is to replace the questions we ask ourselves with facts. For example, instead of “Am I good enough?” try “I am fine just the way I am.”

**IN SPORTS ACTION**

The Boys Varsity Golf Team took second place Tuesday in a twelve team field at the Hemlock 6-man scramble, and four of boys were medalists for placing in the top ten 2-man teams. It was very cold and windy, making scoring conditions tough. Congrats to the boys!

Congratulations to the Women's Varsity Lacrosse Team for an outstanding win over Heritage High School Tuesday night! The final score was 8 Cavaliers and 4 Heritage. At the half, Heritage was up by 1 point. However, our ladies rallied in the second half. Emma Dodick had 4 goals and 1 assist and Jade Remacle had 4 goals. Our defense was amazing and our Goalie Amanda Jendretzke was fierce. Our next Game is Thursday night at Davison.
