

MIDLAND HIGH SCHOOL DAILY ANNOUNCEMENTS

March 14, 2022

PLEDGE OF ALLEGIANCE

ANNOUNCEMENTS:

Chemics this week is Blue goes Green week! Well, be making announcements and social media posts every day of things that you can do to help the environment. To start off the week the first day is meatless Monday. Reducing your meat intake doesn't mean you have to go vegetarian, but it does mean you can reduce your impact on the environment! Be on the lookout for Instagram challenges, and lunchtime activities, there are prizes involved!

Attention Chemics, for those of you that ordered McDonald's shakes to be delivered to your 3rd hour classes tomorrow, Tuesday, March 15th, please let us know at this time if you will be unable to receive your shake because you will be gone with the music program. Please come to room 337 NOW so we can attempt to make an arrangement for you to receive your shake.

Hey Seniors! You may have noticed a banner of former MHS math teacher and department head Jenifer Sisco hanging in Eyeball Alley near her memorial scholarship plaque. Or, you may have heard something about the scholarship in your math class. If not, come to Eyeball and check it out. There's a QR code near the banner that will take you right to the qualifications for the \$1,000 scholarship and how to submit it. You are encouraged to nominate a peer or apply yourself. See your math teacher, your counselor, or Mrs. Mahabir if you have any questions. The deadline is Wednesday, April 6th.

All students going to Delta College next fall are welcome to stop by the Media Center on Thursday, March 17th, anytime during 4th, 5th, 6th hours and both lunches! Mrs. Barnes, our college advisor, and the Delta admission rep will be there during these times to help you with all things Delta. Need help signing up the Accuplacer? Want to get your orientation done and sign up for your classes? Have some questions? Come to the Media Center on the 17th and we will help you!!

The Saginaw Valley State University admissions rep will be here on Wednesday, March 16th! If you are a junior and are interested in learning about SVSU, stop in the Media Center on the 16th during 2nd hour to learn all about SVSU! For seniors attending SVSU next fall...you can stop in during 3rd hour and talk about your next steps and have any questions answered for you! Mrs. Barnes, our college advisor, and the SVSU rep will be there to help!!

Thursday, March 17, is Saint Patrick's Day. The Junior Varsity Leadership class invites you to help us celebrate the day in three ways. First, we invite you to wear green, even if you are not Irish. Second, we invite you to come to Eyeball to do the Irish jig during both lunches. How do you Irish jig? Look for the posters with QR codes around the school. The QR codes will provide you with instructional videos so you can learn. Gift certificate prizes will be offered each lunch hour for the individual deemed the best Irish jig dancer. Other prizes will be offered as well. Finally, in celebration of the Class of 2022 being the 150th graduating class of Midland High School, 150 "gold" coins will be located around the school, outside of classrooms, that student can find and turn in to room 337 during 4th hour for prizes including gift certificates and treats. Fire up, Chemics, it's going to be a great day to be a Chemic!

What month is it? Oh yeah, it is March. What happens in March? Ending of winter sports. One sport is not ending yet though, that sport is college basketball. Midland High will be doing the first ever school wide march madness bracket. You will have the next couple days to sign up for this fun tournament where you can earn some nice prizes. An email will be sent out with the link to the website and the password to be able to join in.

Trap Shooters! If you are interested in joining the MHS Trap Shooting Team, please go to the main office to get information. This is the last week you can join the team!

Chemics! 2022 Yearbook prices go up TONIGHT at midnight!! Don't pay more than you have to. Today the cost is \$65; tomorrow it will be \$70. Order today before midnight at www.yearbookforever.com. Also, Seniors check out the senior portrait proofs in Eyeball Alley - this is what your name spelling & photo will look like in the yearbook unless we hear from you about any errors.

MIDLAND HIGH SCHOOL DAILY ANNOUNCEMENTS

March 14, 2022

IN SPORTS ACTION:

Friday night, led by yet another tremendous student section, the Boys Varsity Basketball team defeated Mt Pleasant 64-61 to capture the District title!! It is their second straight title, 3rd in the last 4 years, and all championship games were vs. Mt. Pleasant. Jason Davenport led all scorers with 24 points, Drew Barrie had 18 and Abe Haddad added 12. The boys play in the Regional opener tonight vs. Petoskey at Gaylord High School. GREAT JOB GUYS!!!

This past weekend the MHS Boys Swim Team went to the State meet for the first time in a very long time. Brenden Granzo was the first swimmer to swim an individual event for the Chemics and competed in the 100 Breaststroke and finished 32nd in the state. Then the Chemics had their 200 Freestyle relay that was seeded 35th out of 36 teams. Jacob Hyde, Trenton Smerdon, Stanton Millward and Mitchell McMath swam so fast that they re-broke the school record in that event and finished 24th in the state. Way to go boys on a great meet and a great season!

ACTIVITIES:

The Boys Basketball team will travel to Gaylord High School to compete against Petoskey High School in MHSAA Regional Semi-Final. The game start time is 7pm. Ticket are available ONLY through GoFan. The link can be found on chemics.net.
